

LYNN ROAD ELEMENTARY

Mission

Working together to strengthen mind, body, and character.

Vision

The Lynn Road Elementary School community works collaboratively to create a school environment where students will receive the academic skills, the problem-solving skills, and the character development that will prepare them to make choices that will lead to successful, happy, and productive lives.

Values

Our school provides an environment in which all members engage in positive, nurturing relationships and effectively communicate.

Our learning environments are inviting, respectful, supportive, inclusive, collaborative, and flexible for students' success. Our instruction is grounded in research-based best practice to improve students' learning and develop critical thinking skills.

Our school has a highly-qualified, motivated staff who use collaborative planning and analysis of assessment to deliver effective, rigorous, and differentiated instruction.

Our students are responsible for taking ownership of their learning in all areas of the curriculum.

Our school promotes a healthy, active lifestyle where everyone is encouraged to make responsible choices involving nutrition, exercise, and stress management.

Our school will use technology as a tool to promote 21st century learning.

Our school fosters an environment that is welcoming to parents and we encourage them to become actively involved in their child's learning and our school community.
